

## Christmas tour incl. mulled wine & biscuits

Gruppenführung

### Detailed description

Let us invite you to a merry stroll through the festively illuminated Old Town in the Advent season. Savour the fragrances of cinnamon and gingerbread, of mulled wine and hot chestnuts lingering in the narrow lanes, and listen to the stories and poems your well-informed guide tells you.

The round tour ends with a deliciously spiced mulled wine (a cup of steaming hot chocolate for the little ones) and scrumptious Christmas biscuits.
